AND FROM ALL PARTS

BOARD OF TRUSTEES

*Dr. Maxwell Flanders, Vice-President; Mr. R. Lee McNitt, Jr., Mr. Doyle McMillin, President;
Dr. Gerald F. Rapp, Mrs. Hazel Baker, Clerk.*

Many responsibilities rest on the shoulders of the Board of Trustees. Through their capable hands pass the school funds, and in them rests the power to approve master plans and budgets.

It always seems that credit is seldom given where credit is due. Therefore, we take this opportunity to express our thanks to the Board of Trustees of Whittier High for their many hours of faithful service.

OF THE DISTRICT

P. T. A. OFFICERS

Mrs. Raney, Mrs. Longacre, Mrs. Moore, Mrs. Randall, Mrs. Martinez, Mrs. Schroth.

Parent-teacher relations are all-important for the efficient management of any high school. In order that things run smoothly there must be an understanding between the representatives of the two groups. This calls for adults from all parts of the district to meet the situations created by students from all parts of the district.

The P. T. A. sponsors many activities for the enjoyment of the pupils of Whittier High. The most popular of these are the after-the-game-dances, and the study groups.

Dorlene Randall, Barbara Riddle, Joyce Cook, Marlyn Ockerman, Jeanne Day, Peggy Downing.

A large responsibility is placed in the hands of the cabinet. These students have the final power to ratify or veto most of the proposals sent to them through the Rep Board.

The cabinet is composed of all the student body officers, bringing the total to twelve. The offices are held by the most highly qualified persons, who were selected by popular vote in a field of close competition.

Marianne Lewis, Evelyn Clayton, Carleen Hughie.

Row 1: Bill Templeton, Leilani Behrens. Row 2: Bill Black, Carolyn Tranquada, Gordon Hazlitt.

Representatives from most of the Whittier Union High School clubs and organizations meet regularly to discuss current problems. They suggest new plans and ideas to help the school run smoothly, and are always ready for suggestions and criticisms.

The Rep Board is composed of students who are elected by their classmates on the basis of capability, fairness, and dependability. Through them the wishes of the student body are made known to the powers-that-be, in order that a true democracy may be maintained on the campus of Whittier High.

Much has been said and written about how important to you personally are those events which are generally referred to as "turning points" in your life. You will hear considerably more about similar events as you continue to live your life span.

However, few events will make as much impression upon you at the time or will they be as lasting in your memory as your graduation from Whittier Union High School.

Whatever will be your future, we join in wishing you, the Seniors of Whittier Union High School, our most sincere hope that you will find personal success and happiness.

TO GUIDE AND DIRECT

In order that a play or theater performance runs smoothly, a talented cast is needed. Each one of these players forms a different and important part of the story.

At Whittier High School we have an exceptional list of talented performers. Under the able guidance of Mr. Wennerberg, director, the administrators contribute ideas to help the school run successfully.

It truly can be said that these talented advisers play important parts on the stage of scholastic affairs.

When a bunch of swell people like the ones pictured here get together, something is bound to happen. From the looks of things they have all pitched in to get their work done in a hurry so they can go to lunch.

When school is in session, they have plenty of work to keep them busy; for instance, keeping track of all the absences, getting schedules straightened out, and a thousand other duties that go along with the title of "secretary." The school couldn't survive if it weren't blessed with efficient, hard working secretaries.

WALKS OF LIFE

These are some of the hard-working men who strive to keep our campus clean.

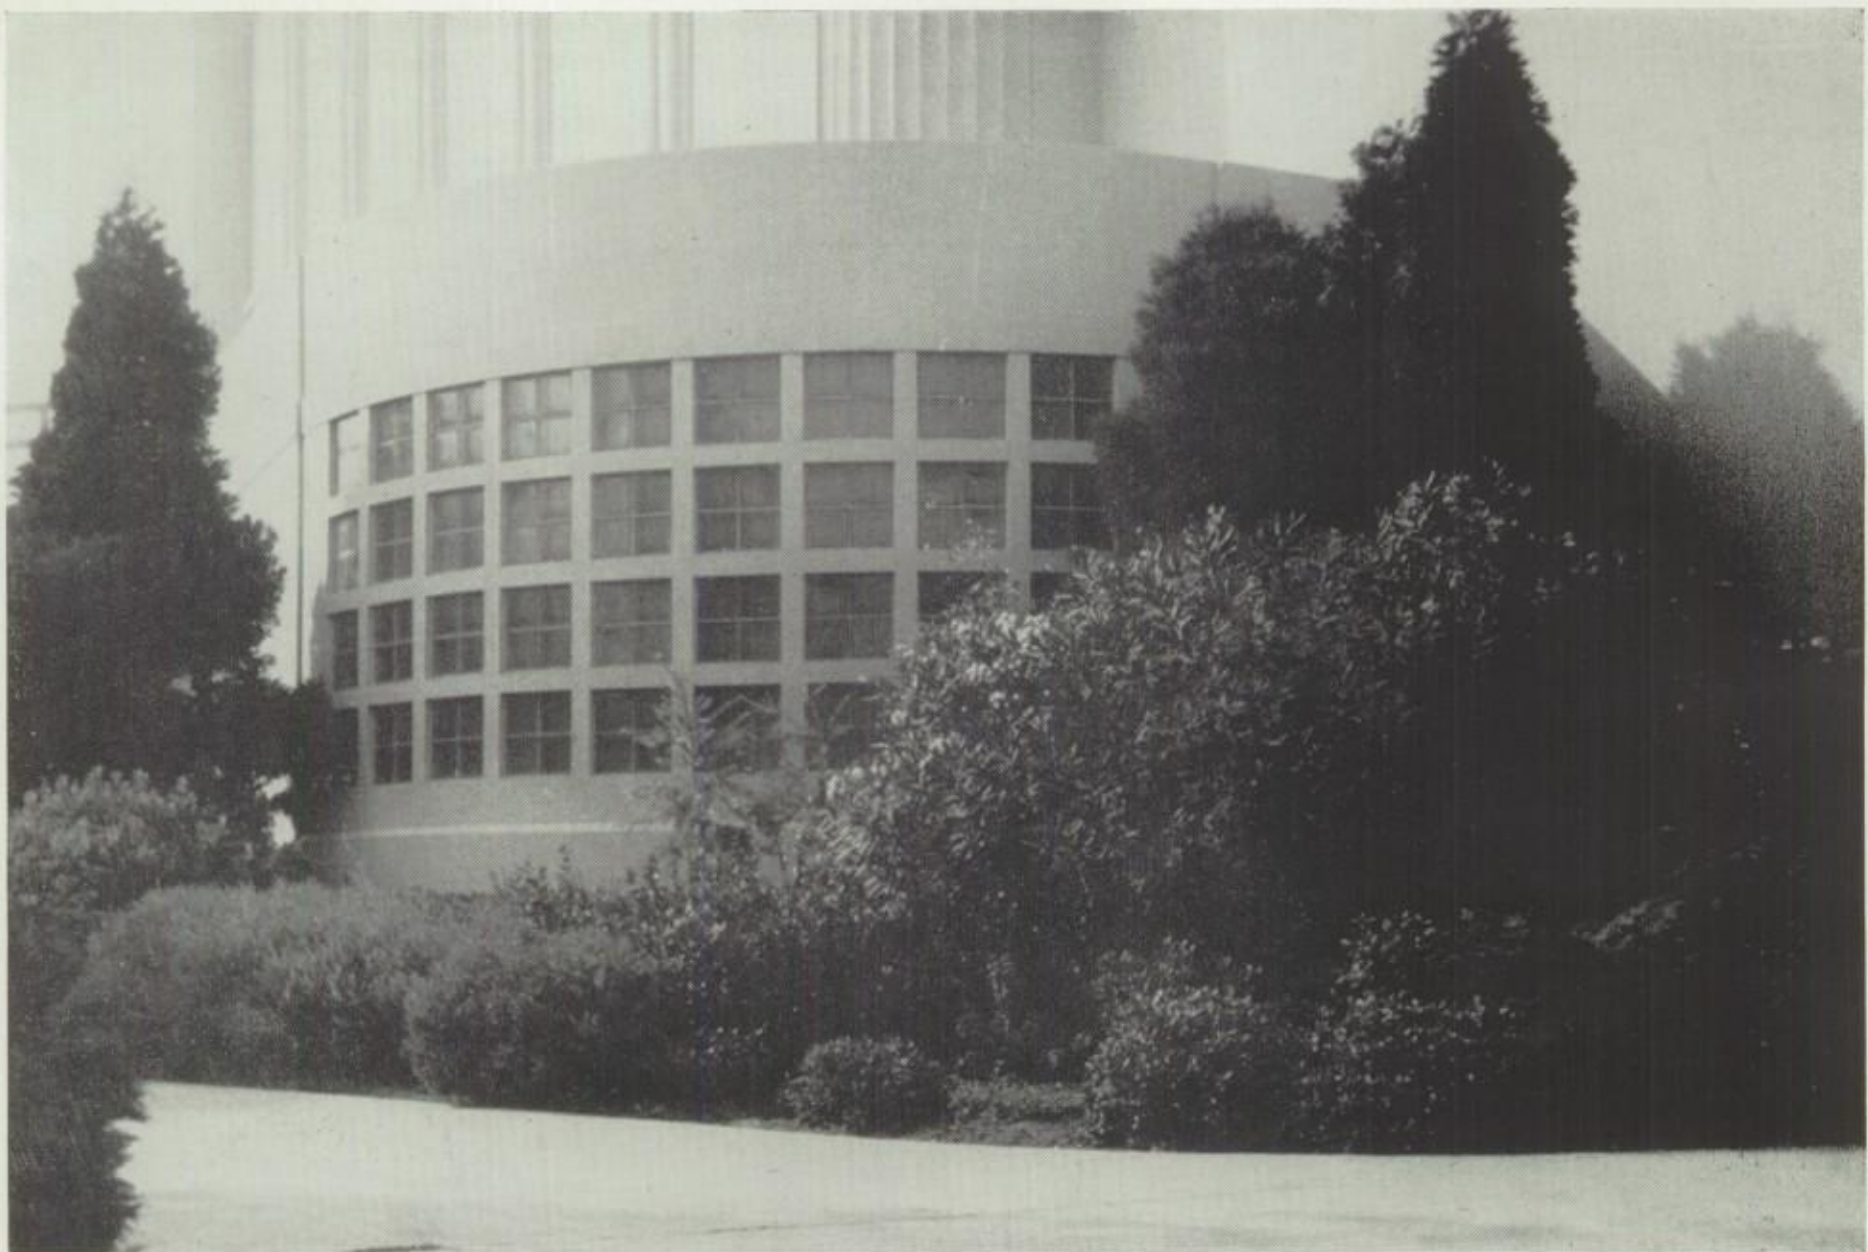

**CUSTODIANS AND
CAFETERIA WORKERS**

The custodians are always ready with a helping hand and a cheerful smile.

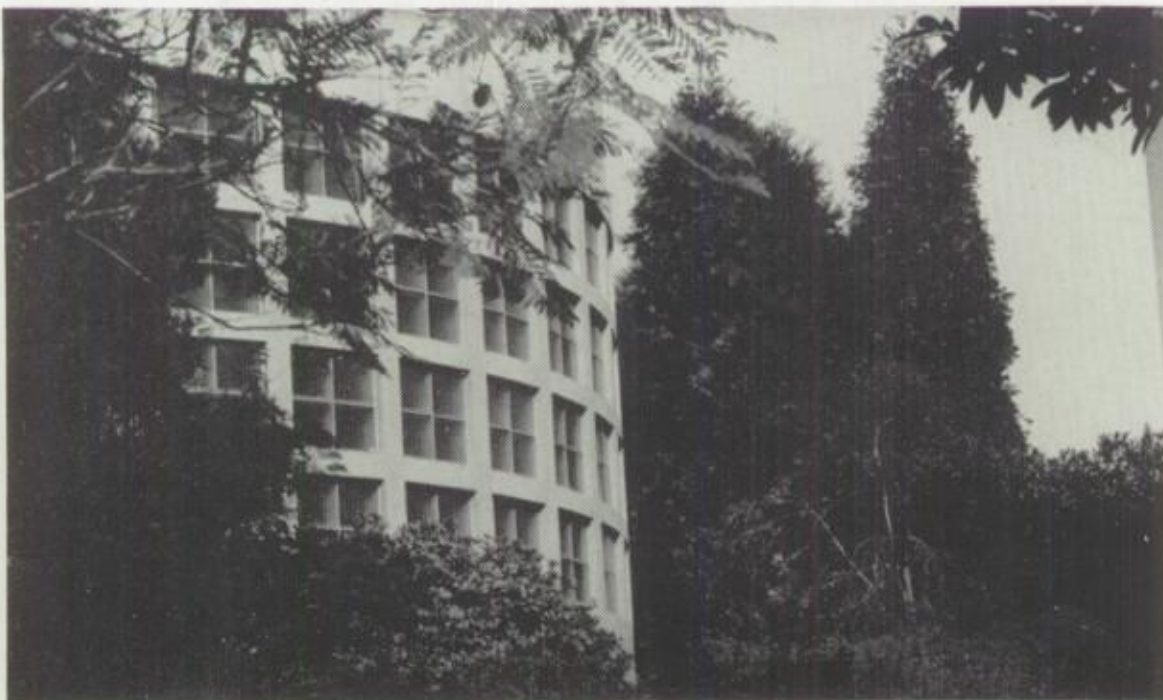

This is what they call service!!! What in the world would become of the population of Whittier High if all the maintenance men and cafeteria women should suddenly go on strike? We would have to fend for ourselves, which would be no easy job. We'd have to do our own lunch dishes, mow the lawns, spade up the flower beds, sweep the floors, and walk ourselves to school. We can thank our lucky stars, though, that as far as we know the maintenance crew has no plans of deserting us.

Lunch period is well organized, thanks to the cafeteria workers pictured here.

COME THE MEN AND

Frank Mortensen, Student Body President.

Danny Osborne, Student Body Vice-President.

Every spring most young men's fancy turns to love. But there are some exceptions. Take Frank Mortensen, student body president, for instance. Last spring about this time Frank found himself the new leader of the Whittier High student body, and began to look ahead. In order that the school year of 1950 run smoothly, plans were made in advance, with the suggestions and help of the other new officers, Danny Osborne, vice-president, Eina Anderson, secretary, and Gretchen Haas, publicity manager.

This team has worked hard to make 1950 an enjoyable, unforgettable year in the lives of 2,600 Whittier students. They have tried to make the school activities more and better, to present novel and educational assemblies, and most important of all, to insure a democratic school government.

Associated Student Body officers are indeed to be envied for their prestige and popularity. But countless hours of planning, organizing, reorganizing, and worry accompany the title of "student body officer."

OF LIFE, CHOSE OUR SCHOOL

Sometimes a high school annual is dedicated to a person who is about to retire after many years of working with the young people in our school—sometimes to a person for special services he has performed.

The past, the present, and the future are portrayed in this year's Cardinal—and Superintendent C. H. Wennerberg, to whom we dedicate the 1950 yearbook, is symbolic of all three.

This former principal of the Whittier High Adult School brings with him a wealth of experience gained in elementary and other high school positions.

Aside from his many school activities, he is at present the president of the Board of Directors of the Whittier YMCA, a member of the Board of Trustees of the University of Redlands, and an active member of other civic organizations.

As to the future—there are plans for the completion of new high schools, organization of teaching staffs, and adaptation of curriculum. Mr. Wennerberg, our superintendent since July 1949, fits into such a future pattern.

We want him to know how glad we are that he chose Whittier High as his place of service; we want him to realize the warmth of friendship which the students and staff have for him; and we want him to use this annual as a "memory book" record of his first year of superintendency.

We feel that his tremendous energy, tireless effort, and sincere interest in Education will serve him well in furthering the splendid administration already firmly established here.

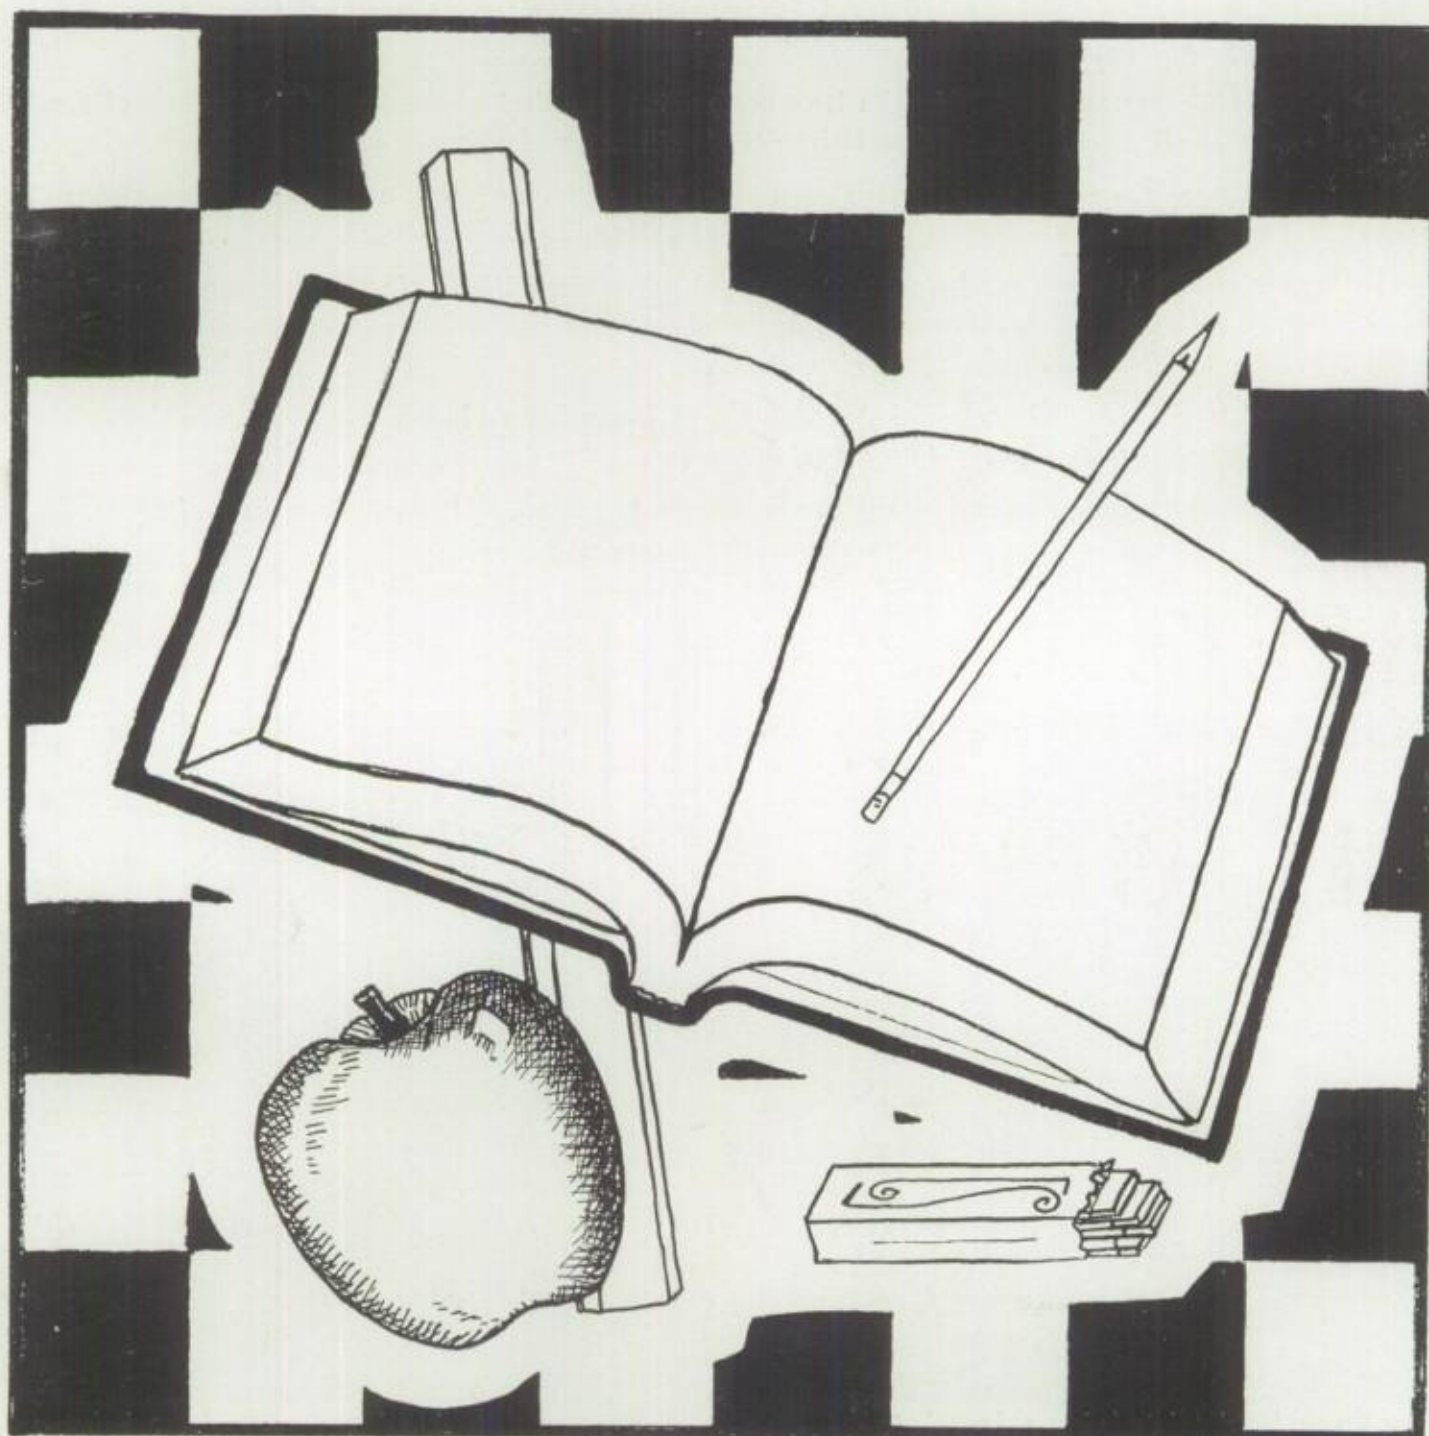

Therefore, it is with real pride and best wishes for continued success that we, the members of the staff, dedicate the 1950 edition of the Cardinal Yearbook to you, Mr. C. H. Wennerberg.

Always glad to hear the students' point of view as he talks to Jimmie Dysert and Joyce Murray.

Leaving school at the end of an eventful day.

These lively Frosh entered good ole' Whittier Hi in the fall of '49 and began working toward becoming sophisticated seniors. Of course, they were teased for a while, but these determined young Frosh didn't let it bother them. Even as young as they are, they know their respective ways around, as

can be proven by the successful Woodchoppers Ball which they helped plan. Their dynamic Freshman talent show, which featured Connie, John and many more, proves that they are a talented group of youngsters, as well. And can't you just tell by the bright looks on their faces that they will really go far?

The nomination assembly, and this group of songleaders were victorious.

This great bunch of Sophs made it through their second year in W.U.H.S. without any serious mishaps. Alan, Carolyn, Pat, and Jo Ann led the terrific Soph Council through their numerous activities during the year, proving themselves to be very peppy and enthusiastic leaders. The Sophs were always right

in the middle of everything that went on around school including the Frosh-Soph Woodchoppers Ball. And they most certainly showed themselves able to make wise decisions when it came to choosing their Junior rings. All in all you just can't deny that these great Sophs are ready to become lower upper classmen.

My, but the Juniors are a cheerful and enthusiastic class.

Sounds interesting.

Are you a loyal booster? Have you bought your booster plate yet? Ever heard these words before? Undoubtedly you have. Dynamic well describes the booster plate campaign which the Junior Council sponsored. In fact, nothing but dynamic is a very good description of the officers, the council, and the whole Junior Class in general. Their booster plate campaign, under the direction of

Henry Primanti, helped to raise money for the Junior-Senior Prom, "Bali Hai." Incidentally, the Prom was one of the very best and most successful ones ever held thanks to Flora and all of the hard working committees. You can be sure that these swell Juniors are certainly ready to become the big wheels of good ole' Whittier Hi.

At Last!!!

THEY SERVED OUR SCHOOL AS SENATORS

Row 1: J. Schmitt, E. Ketchum, D. Gish, S. Smith, D. McKinney, D. Ashton, D. Zabel. Row 2: C. Acosta, M. Quintana, D. Pickup, G. Gregory, B. Griffiths, F. Mortensen. Row 3: R. Bonham, R. Graham, D. Davis, D. Osborne, D. Spencer, J. Dysert. Row 4: E. Reese, C. Neilson.

These hard-working boys of W. U. H. S. strive to live up to the standards and traditions of our school. The members of this organization are chosen for leadership ability, citizenship, and scholarship grades. The Senators meet twice a month to discuss campus problems, and solve them. This year the Senators are under the able supervision of Mr. Don Douglas. These boys are certainly an asset to our campus life.

Barbara Parks, Mrs. Cumberland, Marilyn Castor.

Twice each month the Girls' Council meets with Mrs. Cumberland to discuss and solve the many problems faced and caused by the girls. They bring in reports about student behavior and try to find ways of making the behavior better. The most important function which this body performs is the formation and running of the Big Sister program. This program acquaints the entering freshman with several upper class girls who help her with the problems of high school, subjects, and the many, many questions which the girl will have about high school. The twenty members of this organization are chosen from the junior and senior classes, and are chosen for their tact, citizenship, and scholarship.

AS MEMBERS OF THE GIRLS' COUNCIL

Row 1: K. Nordstrom, R. Arevalo, B. Hanner, E. Irving, S. Harrison. Row 2: P. Downing, G. Haas, E. Anderson, J. Waldren. Row 3: M. Cole, C. Crosby, C. Tranquada, L. Arnold, S. Smith. Row 4: K. Bonillas, B. Sorey, M. Castor, B. Stickney, L. Lewis, B. Parks.

Mr. Lewis, Don Lewis.

These money-minded people manage the school's ticket sales. On hand to sell tickets for plays, games, and noon movies, they are efficient and hard workers. Under the direction of Business Manager Mr. Lewis, they have been a great help throughout the year's activities.

AS FINANCEERS

Row 1: N. Pyron, A. Smith, K. Jeffers, C. Brundin, J. Mo, Mr. Lewis, D. Lewis. Row 2: D. Mortensen, B. Griffith, D. Mosely, L. Garrettson, J. Stanfield.

AS USHERETTES

THAT BREWSTER BOY and

P. McQuown, F. Mortensen, M. Church, B. Duncan, D. Barringer.

With a volley of laughs, this year's Fall Play, "That Brewster Boy," launched the season's theatrical productions. The light comedy of the problems of typical teenagers was well-received by the record audience. The situation involved Joey Brewster and his pal, PeeWee, who write to a lonely hearts club to gain experience with the fairer sex. Helping provide laughs were: Frank Mortensen, Paul McQuown, Mary Church, and Dale Barringer.

The Spring Play topped off the season with an air of mystery. "Cuckoos on the Hearth" was highly entertaining with its sliding panels, government spies, secret formulas, sleepwalkers, and touches of comedy relief. The plot concerned a Washington agent involved in secret work which is threatened by foreign spies. An escaped strangler further complicates matters which are eventually cleared up. An excellent cast included Mitzi Gowdy, Roberta Allen, Don Fantz and Henry Primanti.

"Stop, Look, and Listen," this year's annual Girls' League Hi-Jinx all girl revue, was presented Thursday, November 3, 1949, to a very large audience of mothers and friends. This audience witnessed the result of many hours of hard work by Loretta Blower, the student director; Miss Withrow, the faculty adviser; and the girls who participated in the show. In addition to the many fine acts, the program was made more enjoyable by the hilarious continuity. "Stop, Look, and Listen," was indeed a memorable Hi-Jinx in the history of the Girls' League and of Whittier High.

Footsore and weary . . . yet the vigilant monitors trudge on . . . Through the rain, sleet, fire and the trek to John Muir, the faithful Cardinal monitors deliver the inevitable office slips, run errands, and keep the school's services running smoothly. Miss Winter, capable faculty advisor, directs their activities as well as handles the records of service points earned.

MONITORS

The Little Theater again this year was the center of attraction for Whittier theater-goers. All types of plays were presented—comedy, tragedy, farce, mystery. These productions give drama students an opportunity not only to gain valuable experience in acting, but also to display their talents to parents and friends. Under the direction of Mrs. Katherine Grassell, plays were given. Some of the outstanding players were Leslie Needham, Evelyn Stewart, Pat Davis, and Terilla King.

The harried pen-pushers on these pages are the ones behind the scenes of our *Cardinal and White* newspaper. Putting out a weekly sheet is no easy task, as they will tell you. Ideas are sometimes hard to get and deadlines are constantly creeping up. Cracking down on the staff, editors Phyllis Houston and Nina Rayburn kept things going smoothly. Overseeing it all were faculty advisors Miss Florence Timmerman and Mr. Hank Litten. The C & W Staff can indeed proudly write "30" to their year's work.

ALL THROUGH THE YEAR THEY MADE THIS BOOK

In the hustle and bustle of C-121, fourth period, this year's Cardinal annual has been published by the staff and Mr. Gardner, our able adviser. To make this tremendous job much easier, the staff was divided into seven sections, each dealing with the different phases of school and campus life. The first of the year was spent in making temporary layouts for the pages, which were later revised and approved. The layouts were then transferred to the dummies which were used by the printer and the engraver. With the exception of the printing and engraving, the annual was made entirely by the students. Each of the seven sections made its own layouts and plans for the order and appearance of the pages, wrote all copy, and student photographers took the pictures.

SPANISH PROVES WORTHWHILE

Christmas Party in Cafeteria.

Buenas dias amigos! Greetings from one of the largest clubs at Whittier Hi. It's the Spanish Club, of course, which has highlighted '49 and '50 with such activities as the annual Christmas Party, a trip to the Padua Hills Theater, and its monthly meetings. The large group is advised by Mrs. Holt and led by its officers who work and plan together to make the club a success.

Latin Club Officers.

"Fan faster servo." "Hurry serva and fetch some water. My throat is parched." These commands and others could have been heard at the Latin Club's annual Roman Banquet, held in May. Another big event is the Christmas Party which also includes the initiation of new members, a scene from which is pictured below. The advisors, Mrs. Alta Brannan and Mrs. Edith Tomlinson, also plan plays, movies, and sings which highlight the monthly meetings.

In its third year of service the Cardinal Office and Reception Service has been as busy as ever pushing the hospitality of Whittier Hi. To name a few of the activities of this group we might include delivering messages, welcoming new students and directing visitors about the school. Taking their study hall time the members work in various offices and help the administrative officers of the school.

Here you see Mrs. Korf going over a set model with the members of her Stage Crew. All the activities which utilize our auditorium require the hard work of this group. All the plays mean work constructing the proper set and the Stage Crew begins work long before the actual appearance of the event.

It is really amazing that the lights, curtains, and all are so well coordinated, but these students make the job look professional. We may all agree that the Stage Crew does a grand job.

THEY MAKE THE PUBLICITY CLEAR

Gretchen Haas,
Publicity Manager.

This has been another very active year for the Publicity Committee because of their many duties which include making signs and posters. Members of the committee also prepared bulletins and especially game publicity tags which are pictured at left. The group, led by Gretchen Haas, has also greatly publicized such events as the Spotlight Revue, the Fall Play, the Spring Play, Sadie Hawkins Dance and many others.

A good band can do a lot for school pep and the quality music of our band comes in handy. Mr. Chickanzeff has done a swell job.

THEY SPEAK FRENCH & GERMAN

Mr. Avila, Adviser.

The purpose of a language club is to acquaint the students with the culture and life of those people who speak the language as their native tongue.

The French Club has been doing just that and having a great time of it too. The Christmas Party, the Mardi Gras, and their monthly meetings have added to their enjoyment.

THEY PLAY HARMONY

The orchestra has added to the enjoyment of many of the assemblies held for the student body this year. Mr. Chickanzeff has worked hard and the rewards have been gratifying. The members enjoyed a trip to the Philharmonic Auditorium and got an opportunity to hear someone else play. The school will probably remember best its part in the musical assembly which included all types of music on campus.

EXPERIMENTS TAKE PLACE

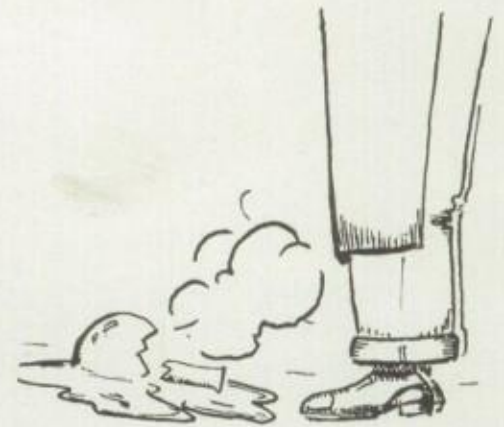

Mr. Robinson, Mrs. Root, Mrs. Aborn,
Advisers.

Oh no! It's impossible! Believe me that's what I said when we received information on the Science Club. What was so surprising? Its size, what else? From about an average-sized club to one of the largest in the school is a big jump in one year. Its permanent membership was over a hundred!

The meetings were informative and included talks by students and guest-speakers. The big event of the year, of course, was the annual field trip. This year the group went to Cal. Tech.

Next year the club advisers and the annual staff will be on the lookout for sudden growth on the part of this group, I assure you.

THEY STUDY HIS WORD

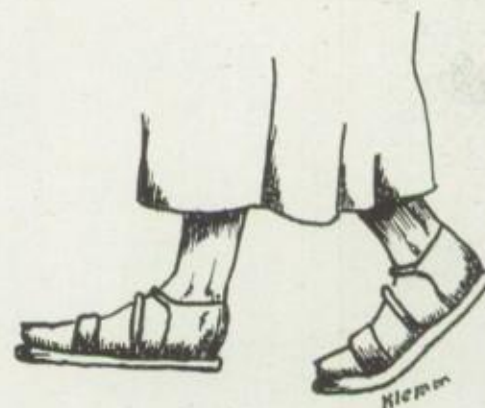

The Bible Club.

The popularity of the Bible Club shows the student interest in the spiritual. The club's motto is "For I am not ashamed of the gospel of Christ; for it is the power of God unto salvation to everyone that believeth; to the Jew first, and also to the Greek." (Romans 1:16).

Besides their own study sessions they are often privileged to entertain guest speakers. Heeding the advice from Proverbs they, "Get wisdom, get understanding: forget it not: neither decline from the words of my mouth."

The Officers.

AND A PROFESSION

Always working hard. This phrase best describes the busy group of students called the Future Farmers of America. The club's list of achievements for this year includes the Green Hand Initiation October 19, the Chapter Future Farmer Initiation on November 1, and the Parent-Son Banquet May 1. Under the guidance of Harold Driver, President, and Advisor Mr. Moores, the Future Farmers studied throughout the school year new agricultural methods which will help them in the years to come.

MELODY, THEIR DELIGHT

Competition for the birds! Who do we mean? Why, the fine choral groups, of course. Under the direction of Mr. Ernest Hemmerling, these songsters have provided the fine music so popular with the students.

We all enjoyed the caroling in the halls at Christmas-time. But best of all was their contribution to the Christmas play. That was really beautiful. They always are.

THEY MAKE OUR DANCES COLORFUL

If you're looking for an active club, just look this way. The Dance Club does the marvelous decorating jobs which turn the girls' gym into a beautiful ballroom.

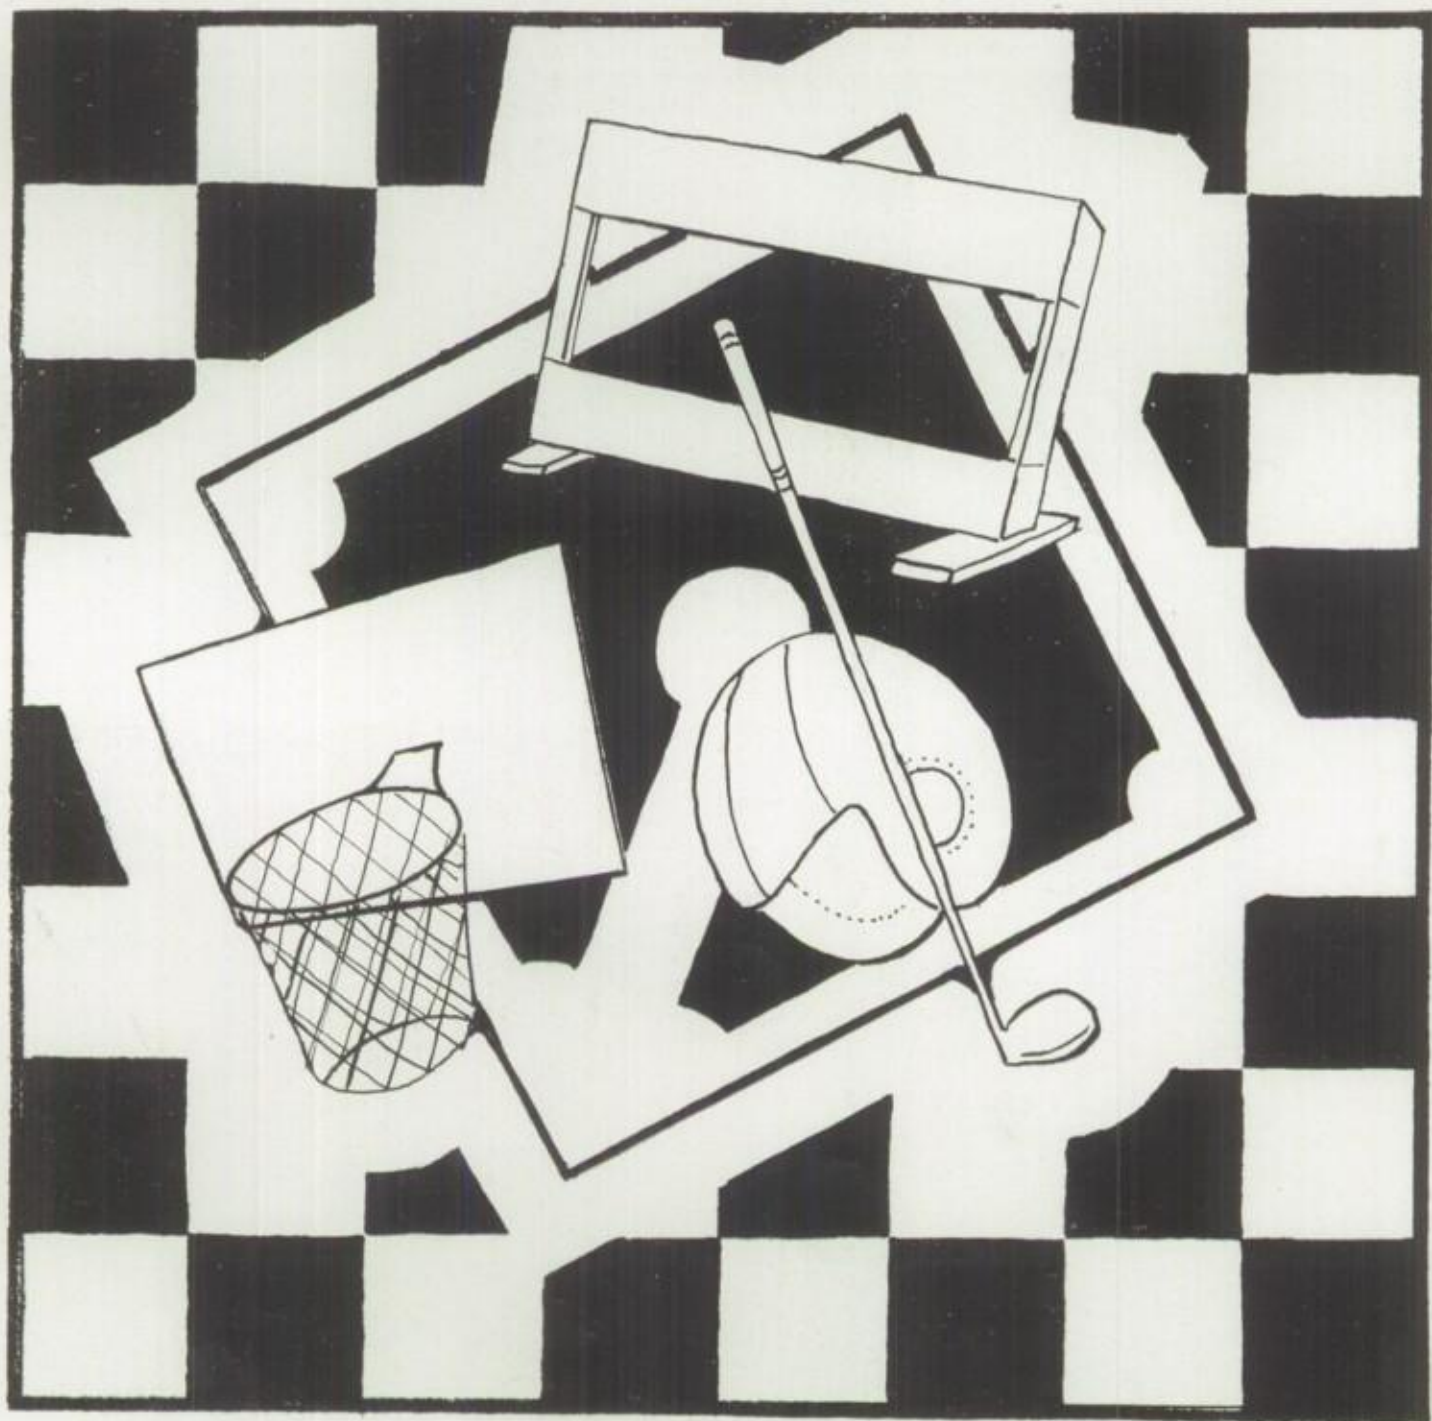

Putting in those long hours just to doll the place up means work to the club but it spells F-U-N for the rest of us. We give a big "THANKS" to this club.

These are the ones who wield the magic wand (hard work) at the girls' gym.

VARSITY FOOTBALL SEASON PROVES DRAMATIC

The pigskin season of forty-nine proved one of the most dramatic Whittier has known for some time, despite their seventh place finish. The Cardinals can always be counted on for their hustle and their share of victories and upsets. This year was no exception.

Three of the Red-birds' four victories were sensational upsets; the first came on a foggy night at Long Beach, when the Cards dumped L. B. Jordan 35 to 13. Number two was a 14 to 7 victory over Fullerton, Sunset League Champions, and a third, the most surprising, was a 27 to 7 shellacking of Keppel, Pacific League Champions, who were looked upon as one of the powers of Southern California.

The Cards were ably coached by Ira "Corky" Cochran. "Corky" was assisted by Myron Claxton.

Jack Louis and Donn Ashton were elected Co-Captains.

Capt. Wilfred Boehringer and Coach Pike.

Under the guiding hand of Joe Pike, the Junior Varsity brought home Whittier's only second place for the '49 season. The Cards were defeated once in league competition while compiling six victories.

The game which will live longest in the memories of the J.V. fans was played at Mark Keppel, where the Cards snapped the Aztec's unbeaten string with a 6 to 2 victory. The following week on a rain-soaked field, Whittier drowned Montebello 19 to 6, and ended the season winning 25 to 6 over Excelsior to give them second place.

Along with winning games, the J.V.'s had a sideline of making life miserable for the Varsity in scrimmages. The Cards elected "Willie" Boehringer as Captain.

Weeks of hard work, scrimmages with the Bees, tackling, blocking, and other fundamentals were more than repaid on a hot Wednesday afternoon in November. The Whittier J.B.'s were engaged in their final contest of the year. Despite the fact they hadn't won a game all season, they were still fighting. On that afternoon Coach Fred Sheldon saw his pig-skinners run wild over Excelsior with a score of 26 to 7.

These boys, unable to letter, worked hard all season. Some of them will undoubtedly advance to the Bee team next year; others may make the grade to the J.V. or Varsity.

The J.B. Gridders honored Monte Reynolds, hard running Quarterback as Captain.

CROSS COUNTRY MEN WIN TOP CIF AND PACIFIC LEAGUE TITLES

Whittier Hi's outstanding Cross Country team, with Russ Bonham standing out, literally ran away with everything during the forty-nine season; winning the Pacific League title, taking the Compton Invitational, and topping off all their other wins with a breezing victory in the season's biggy, the C.I.F. Southern California finals.

Russ Bonham, the Whittier whirlwind, ran the season undefeated. The greatest victory "Rapid Russ" collected came in the C.I.F. finals when he led a pack of Southern California's finest runners to the wire. Bonham and Bob Keck were Co-Captains.

Pressing Bonham in every meet were Frank Aguilar and Keck, who finished 3rd and 4th respectively in the finals.

The J.V.'s captained by Gene Pace and Fortino Aguilero, tied for first in their mythical league.

All in all, it was another fine year for Coach Tom Phelan, Assistant Coach Bud Goodall, and their long-winded lads.

Boys going undefeated throughout the dual meets included: Dean Dalton, Jerry Chittum and Norm Hardcastle. Dalton, who captained the team, went on to place third in the 103 pound division of the C.I.F. tournament.

Old number 12, Steve Elish, brought home another Bee basketball championship. This was his second in three years of coaching at the school of the Cardinals.

This championship squad, which was undoubtedly one of the best quintets in Southern California, placed second in the pre-season tournament held at Bonita High School.

Co-Captains, Tommy Lambert and Mac Mills, continually sparked the club. Lambert, who averaged 17.3 points per game, a new school record hit his high in the Bonita tournament versus Bell Gardens, when he sank an amazing total of 38 points. On two other occasions, "terrific Thomas" poked 33 and 31 did get through the hoop. Mills also rated in the dead-eye group. "Marvelous Mac" showed Whittier's basketball following that he was at his best when the points were needed.

Other outstanding casaba dribblers on Elish's aggregation included Hoddy Courtney, who was second in team scoring, averaging over 8 points per contest, Bill Raysor, who by the season's end had progressed much under Elish. Wally Horney, a good floor man, and Bill Griffith, a fine all-around player.

The Cees were led by Bill Piper, Mickey Grimsted, Tom Long, Paxton Lockhart, Jerry Stanfield, Ben Smith and Co-Captains, Alex Pina and Harry Davidson.

DEES DROP PLAYOFF

Whittier High School's Dee Dribblers concluded the '49-'50 basketball season in a tie with the Alhambra Moors for first place. The Cards dropped a hard-fought 43 to 30 play-off game and the championship to the smooth-working Moors.

Standouts for Coach Pete Lee's "Dynamic Dees" included: forwards, Bob Zabel, Jim Miller and William Templeton; center, John DeWitt and guards, Bruce Martin and Jim Brakefield. Martin and Brakefield were chosen as Co-Captains by their teammates.

With five Golfers shooting in the 70's and two in the 80's, Whittier was bound to be a contender for the League title. At the time of this writing the Whittier Golf Club, coached by Earnest Hemmerling and Robert Wolstoncroft, had dropped but two matches while collecting seven victories.

Outstanding Golfers on the squad included: first man, Bob McCallister, low 70's; second man, Marley Poe, middle 70's; third man, Lewis Poland, high 70's; fourth man, Dick Brunmire, high 70's; fifth man, Richard Spencer, high 70's; sixth man, Jerry Johnston, high 80's; and Miller Reese, high 80's.

This year Whittier fielded a J.V. squad composed of Golfers who will spark next year's team. Both squads practiced at the Hacienda Country Club.

VARSITY

Coach Heber Holloway and Assistant Hap Waer, again collaborated to bring Whittier three first division swimming squads. At the time of this writing the Varsity and Bee teams are up as the probable contenders for the C.I.F. Southern California swimming championships.

The Varsity was sparked by Danny Osborne, Jim Lantz, Johnny Sanders, and Herb Wilson. Osborne broke the school record for the 200 yard free style, with a time of 2:04.9. Up to this time, Danny has been undefeated in the fifty yard dash as well as the two hundred.

The Bees were loaded with talented swimmers including: Wade Askew, Allan Dalton, Bill Dieter, Glen Harrison, Ted Morris, Francois Pellissier, Gordon Prisbry and Dick Wood. Dieter broke a nine-year-old record for the 100 yard breast stroke, with a time of 1:12.7.

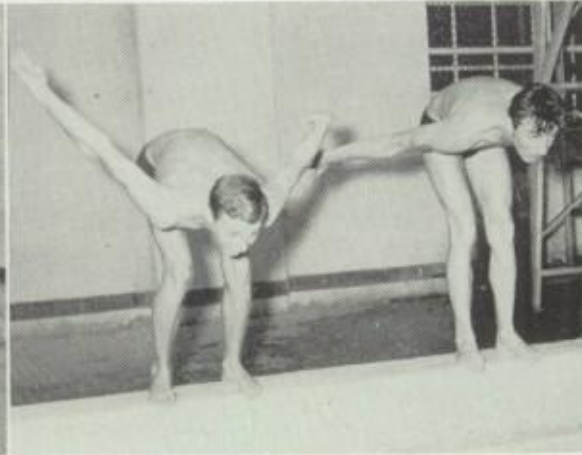

Bob Belles, Ron Bowen, Bill McPeak, and Bob Weiss, led the Cee squad to their victories. Belles, Weiss, and McPeak, set a new Cee 75-yard medley relay record. In an early season meet, the Cee Relayers showed much promise with victories over eleven competing schools. In this meet the Bees placed second in their division, while the Varsity snared third.

Under the direction of Sam Bristol, Whittier Union High School had another top notch tennis team, contending for Pacific League laurels in 1950. In practice matches the Cards defeated Anaheim, Monrovia, Jordan, Ventura, South Pasadena, Pomona, Covina, Rosemead and Santa Barbara.

In the opening match of the league season, however, the Card netmen dropped a close 6-3 decision to the veteran Montebello team. Then followed easy wins over Alhambra, Mark Keppel, and Wilson.

DIAMONDMEN HAVE TOUGH SEASON

Whittier's Cardinal Varsity baseballers played rather unimpressive ball this year, winning only one and losing six in the first round of Pacific League play. Losing to Montebello, Mark Keppel, Alhambra, Woodrow Wilson, Long Beach Poly and El Monte, and winning from Excelsior.

Bad breaks and injuries plagued the Redbirds and Coach Ira "Corky" Cochran had to fill many departed stars' shoes with young, inexperienced players.

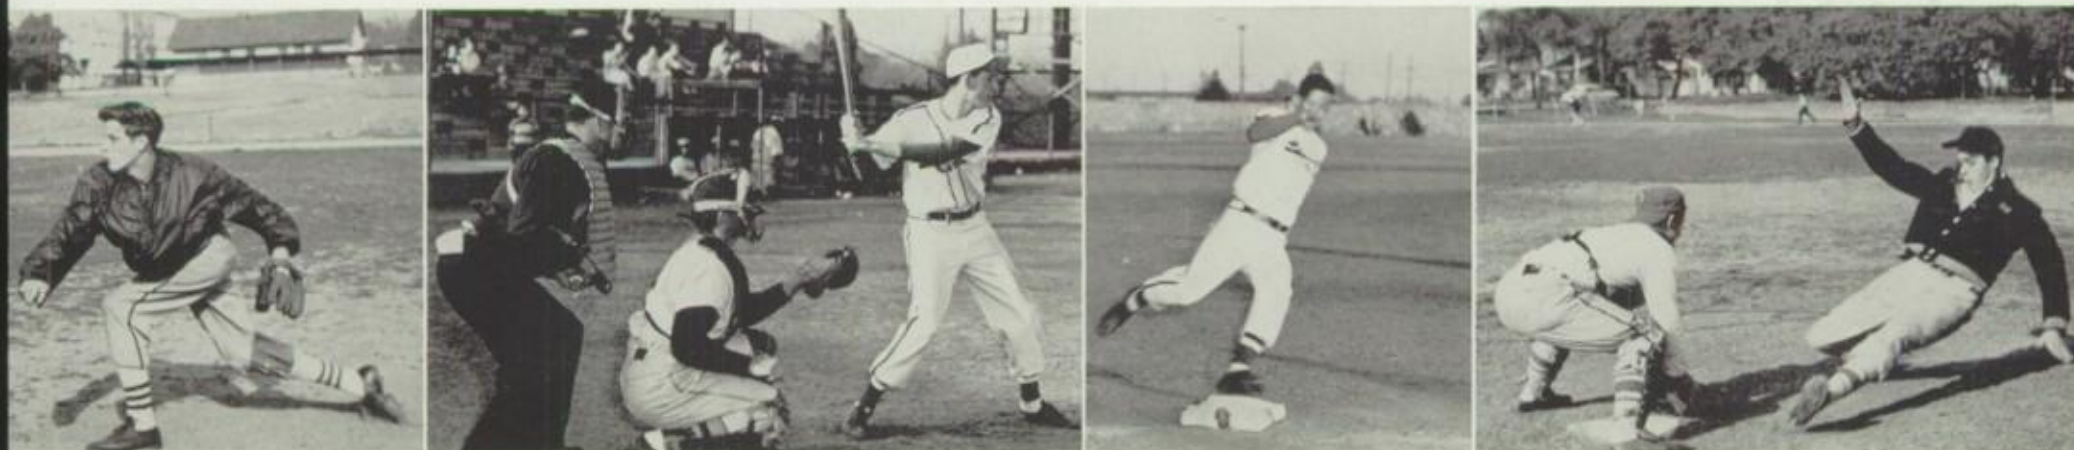

Garner Jordan, portside hurler and Don Zabel paced the club through the first round; Jordan was their star pitcher and Zabel had a .500 batting average.

Eddie Tryk, Bert Jennings and Art Valera stood out also.

Each G.A.A. sport has a manager and an advisor. The managers are elected in June to serve the following year and their duties are to keep track of all equipment and the points turned in by students. They also plan tournaments and contests with other schools. The advisors who also teach Phys. Ed. classes during the day, coach the teams and help officiate.

Soft lights, sweet music. and plenty of hard work went together to make a dance which will long be remembered as one of years biggest social events. Flora Lindvall, junior social chairman, and the energetic Junior Council put in many long hours and really came through with a dance to be proud of. It was unbelievable that it was our own Cardinal ballroom which had been transformed into such a festive dreamland. This transformation caught the fancy of the sparkling couples, dancing to the starlight music of Bob Hayworth, and lent the final air of unreality to the night

At Easter vacation we see Eleanor Montgomery, Bill Muth, Collis Castor, Betty Savery, Bob Magruder, and Paul McQuown who are "Balboa Bound" in their 1950 Mercury. This beautiful car came from **URICH-GIBBS MOTOR COMPANY**, Lincoln-Mercury dealer, located at 101 East Whittier Boulevard, where the best of automobiles are found.

All dressed up in his slacks and sport coat which he bought at **HILL'S CLOTHIERS**, 127 East Philadelphia, Bob Dewhirst is taking Marlene Adamek out for a gala evening. Whether they go dining or dancing, Bob's attire will be suitable for the occasion.

Paul Jordan seems to be having fun teasing Vanca Johnson, who is busy cooking dinner on their O'Keefe and Merritt Gas Range. At the same time, occupied making orange juice with their electric mixer, Johnny Harris and Camille Roche are enjoying a life of ease while cooking with appliances from **K. D. MILLER**, 128 South Greenleaf.

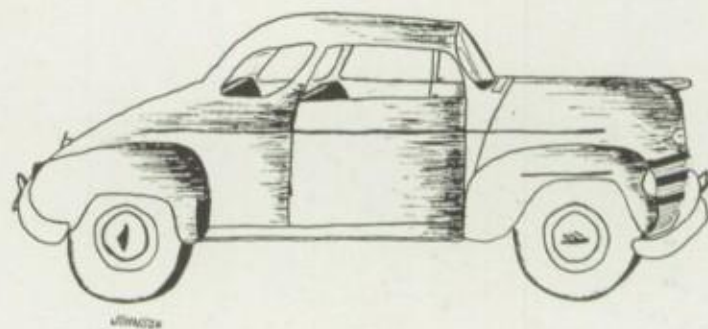

There is nothing like a nice quiet evening at home, especially when it is spent sitting on a comfortable, attractive davenport from **J. E. FLAHERTY'S**, 160 North Bright. Bud Sly takes advantage of this opportunity as he glances anxiously at indifferent Shirley Smallwood.

Here is a double feature! Not only in the twins do we see double, but also in the pictures they are waiting to view. Joan and Jane Maycock, Ronnie and Betty Taylor, Carlene and Caroline Grada, Geraldine and Gerry Wilberg, Jean and Joan Moore, and Jimmy and Ruth Canfield know that Mr. Bruen's three theaters, the Roxy, the Wardman, and the Whittier, provide good entertainment for everyone every night of the week. **THE BRUEN THEATER** office is located in the upstairs Roxy on East Philadelphia.

A new spring hat gives a wonderful feeling. A new spring hat from **AILEEN'S** is even better appreciated by Lora Arnold, who leaves the hat shop established at 218 East Philadelphia. "Aileen's hats are priced to fit any budget," says Lora.

"New shoes?" asks Gabe Bryeans. "Yes," answers Jeanne Russell. Jeanne was not the only one who was wise when she purchased her new smartly-styled loafers, for Gabe also bought his sport shoes from **EARL DOUGLAS SHOE STORE**, 116 East Philadelphia.

After endless weeks of eager preparation and anticipation, the long-awaited night has finally arrived. It's the big dance of the year, and to make the evening a success, Jim Lantz has brought Jean Marshall a gorgeous necklace corsage from **MALINS' FLOWER SHOP**, 138 East Philadelphia.

"H'm, I guess I'll take this one," says Ardyce Green as Mr. McGregor displays to her the wide array of watches which the store carries. In addition, **KING'S**, 127 North Greenleaf, is stocked with silverware, jewelry, and flatware, not to mention many electrical appliances.

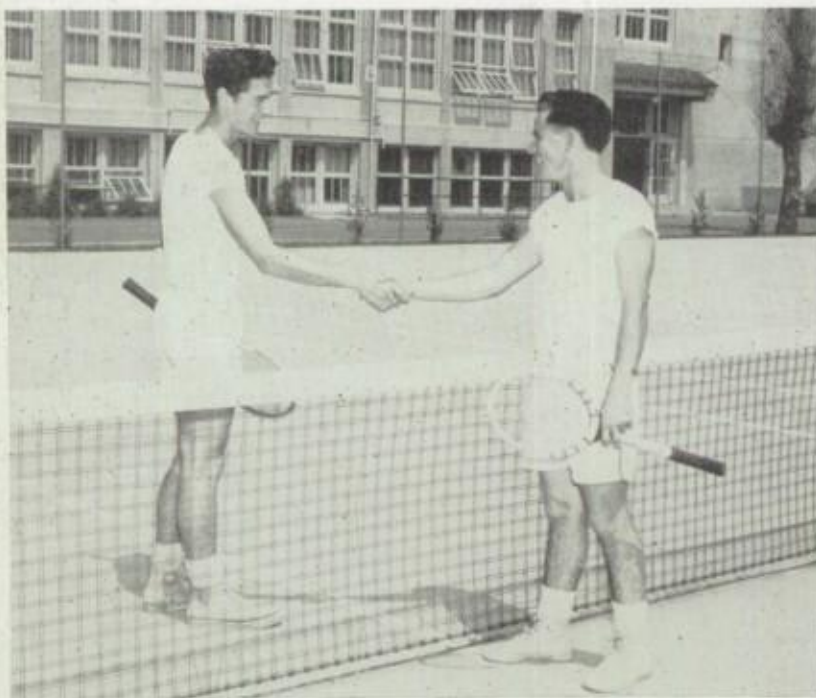

Overcome by the wide variety of articles arranged in the display case, Sally Scott, Charlene Workman, Dee Mortensen, and Ed Ketchum find that **HILL'S PHARMACY** has much to offer in the way of drugs, toilet articles, and cosmetics. Hill's is located at 191 North Greenleaf.

An artist's dream comes to life as Karin Nordstrom, Norma Doell, and Joyce Murray strike a pose for Don Chaffee. Don captures not only the charm of the girls, but also the chic style of their dresses which came from **TIBBETTS**, 101 South Greenleaf.

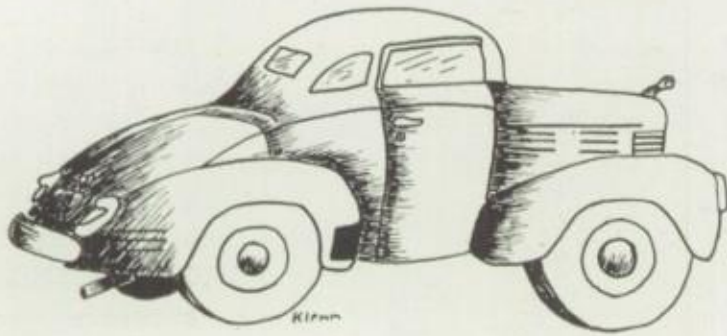

It's television at its best when you own a Philco. Marlyn Ockerman and Chuck Marsden are finding this out as they view the variety of sets shown in the radio-television department of the **FARMERS HARDWARE**, 180 North Greenleaf. Hardware, electrical appliances, and numerous other articles are carried in the store.

"Good game!" says Jerry Hartman to Kelley Burke. But, how could it help but be a good game when the fellows are using rackets purchased from **SPORTSMAN'S PARADISE**. Almost every type of sports equipment can be found at the store, 313 South Greenleaf.

When you are ready to buy insurance, make it a point to visit your friendly insurance agent, A. Rolerson **MACNEIL**, or his brother, Richard, in their office at 144 East Philadelphia. Mr. Macneil is explaining a few of the details to inquiring Delores Rudd and Pat Bateman.

Keeping in tune with the ukelele craze, Kenny Fleshman, Marcia Flaxman, and Richard Johnson try their luck strumming the Harmony ukes carried by **WAER'S MUSIC STORE**. Charles H. Waer is assisting them in his shop located at 121 West Philadelphia Street.

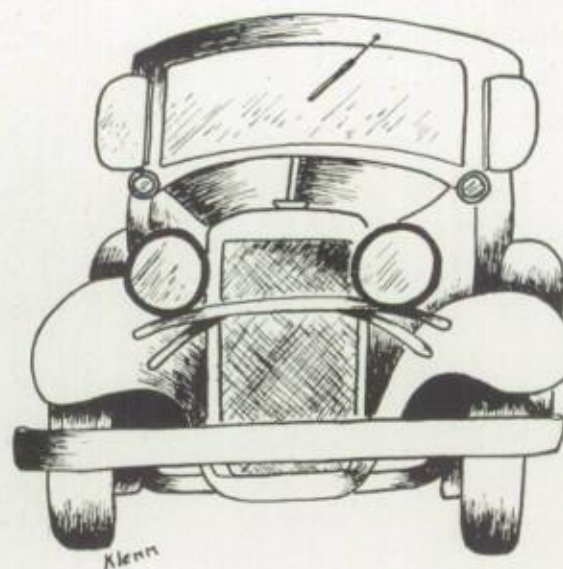

The perfect day, the perfect place, the perfect wearing apparel for an afternoon stroll in the park. At the right we see Wally Horney admiring Marilyn Miller and Marianne Lewis, who are adorned in their summer frocks from **MYERS DEPARTMENT STORE**, 141 No. Greenleaf.

Here Marilee Casselman is presenting Donn Ashton who is attired in smart looking slacks and sport coat from **HECKS MEN'S STORE**, 159 North Greenleaf. Earl Reese, looking equally distinguished, also bought his outfit from Hecks.

One of the best places to get information concerning our town is at the Whittier **CHAMBER OF COMMERCE**, 108 South Washington. Margaret Jacobson is pointing out a few of the many points of interest to Elaine Stanfield and Beverly Barlett.

Admiring the sparkling Golden-hued Dirilite in **UPTON'S** new, modernly-designed store are Merle Wood, Connie Malooly and Eleanor Spiri, Susan Kent. Mr. Upton who has established a reputable business in Whittier has made the following offer.

Upon showing your annual at **UPTON'S JEWELRY STORE**, 132 East Philadelphia, you will receive \$2.00 worth of merchandise free. This offer void after June 30, 1951.

A park bench, a summer day, a cute couple, Gretchen Haas and Danny Spencer. Sporting their stylish shoes from **GREENWOODS**, 161 North Greenleaf, Gretchen and Danny sit planning for the vacation. They know that wherever they may go, their shoes will set the pace.

What a shape; look at her lines; she is really smooth, "Ask the man that owns one." No, not a girl, but a new **1950 PACKARD** convertible. Privileged to ride in the new automobile are Sarah Coffin and Bob Huffman in the front seat, and Paul Gotts, Joan Erreca, and Cliff Stetler in the back seat. Your Packard dealer is established at 1410 West Hadley Street.

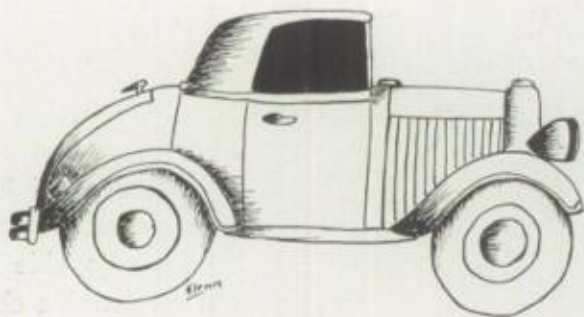

"If the shoe fits, wear it." And any shoe is sure to fit if it is purchased at **PETER'S SHOE STORE**, 107 North Greenleaf. Walter Pierce and Nancy Crozier wear satisfied smiles as they study Nancy's shoes while looking through the foot x-ray machine.

If you want to spend a quiet evening at home, what could be more enjoyable than relaxing in a comfortable chair with a good book. Carol Hunnicutt finds her book from the **WHITTIER BOOK STORE**, 125 North Greenleaf, the most intriguing of any. The store also handles stationery, gift cards, and writing supplies.

Pictured above we see Bill Templeton and Kerry Swart admiring the flashy boys' wear handled by **STOPPEL'S**. Bill and Kerry are examining only a sample of the merchandise found in the store at 165 South Greenleaf.

"Oh look," says Suzie Harrison to Joan Hearn as she points out one of the many figurines displayed in the showcase at **THE GRAY GIFT SHOP**. The girls are intrigued with the beauty of the merchandise shown to them by Joan Walsh in the store located at 128 East Philadelphia.

Above we see Barbara Babson and Julie Weiler spending the afternoon watching an exciting tennis tournament. Sporting cool casuals from **JUSTINE'S**, 172 South Greenleaf, the girls find that their clothes are in style for almost any event.

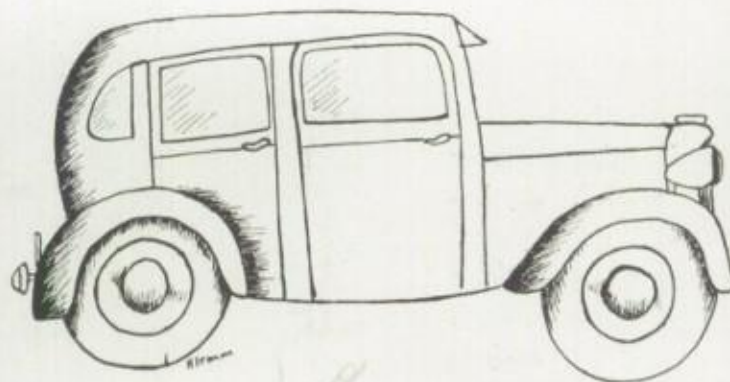

As they stand gazing out over the busy confusion of the city below, Jack Burnip, Bev Fitzgerald, and George Gregory are thinking about the days to come. Each knows that by investing his savings in the **WHITTIER BUILDING AND LOAN ASSOCIATION**, 210 East Philadelphia, he is helping to keep his future secure.

Once again, baseball season has rolled around. Now is the time for all you boys to buy your necessary supplies just as Mahlon Conly, Roger Myrick and Don Zabel are doing. The boys find that all equipment is reasonably priced at the **WHITTIER SPORTING GOODS**, 157 South Greenleaf.

Just returning from a quick trip to the market in their little Model "A," Pam Brink, Carol Crosby, Eugene Johnson, and Nick Klemm are now unloading a variety of groceries which they purchased while shopping at **ORCUTTS GROCERY**, 137 East Philadelphia Street.

*Woo

face*

Beginning the school year right, Bev Jesse, Johnny Love, Nels Morrot, and Nancy Schmidt are sporting stylish outfits from **PENNEY'S**. This department store which is located at 142 North Greenleaf carries merchandise suitable for your every need.

"Hold that pose! You look terrific in your cool, new sundress from **BALLARD AND BROCKETT'S,**" says Jimmy Dysert to Phoebe Hayden as he snaps her picture. This women's apparel store is located at 200 East Philadelphia Street.

THE LOS ANGELES TIMES paper has really got it as far as Joanne Owens and Ray Zabel are concerned. The two seem to be having fun as Joanne laughingly shows Ray one of the many comic strips included in the Times. Monday through Saturday noon, subscriptions can be placed at the office, 108 North Comstock.

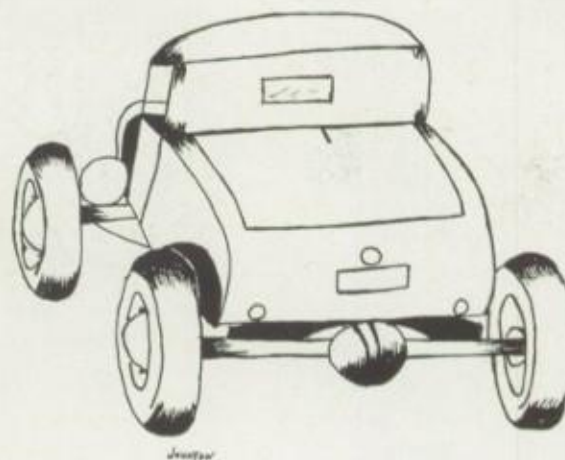

After the game, after the dance or after the show, it's always to **JACK'S** for the best of snacks. Joan Davis, Dale Campbell, Janie Pelton, and Don Pryor find Jack's Beverly Fountain in the El Mercado not only pleasant, but convenient too. Jack's has two other restaurants, Jack's Salad Bowl and Jack's Uptown. Complete meals are served at the three establishments.

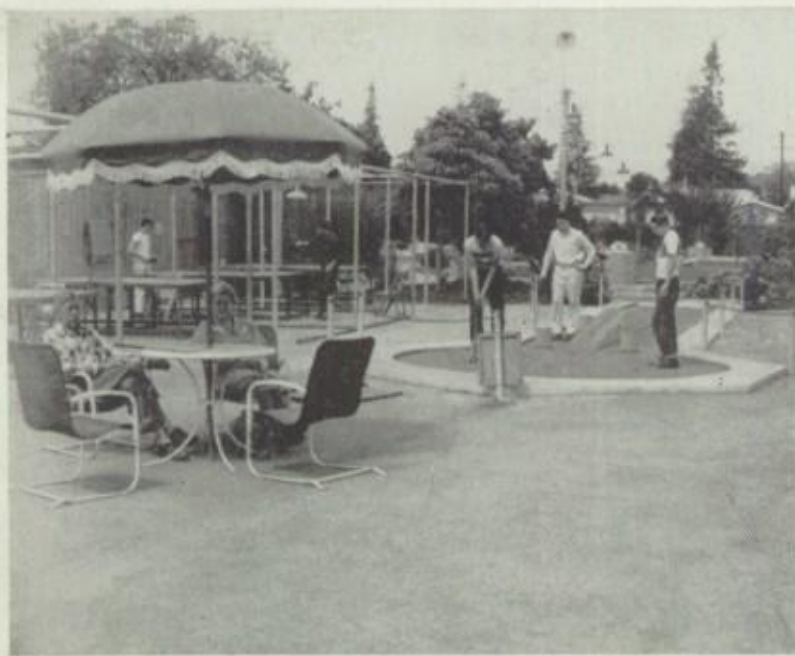

One can almost read Shirley Alderman's mind, as she steps into a brand new 1950 Futuramic Oldsmobile convertible. Bob Pinder looks on approvingly as he dreams of the day when he will own his own "88." Whittier's Oldsmobile headquarters, **HARRIS MOTORS**, is located at 622 South Greenleaf.

It's sure to be a strike! No, you can't miss when you bowl at **CLAYTON AND BALDIN BOWLING LANES**, 11543 East Hadley. Marilyn Jones and Mickey Winget are waiting their turn while Larry Stephen and Carolyn Jones try their luck at the game. The bowling alley provides a refreshment counter for your comfort.

This is **THE WHITTIER SPORTS CENTER** where old and young enjoy miniature golf, ping pong, and shuffleboard. Mr. and Mrs. H. S. Boyle, proprietors, relax in the comfortable lawn chairs, while Billy Piper and Tommy Long are having it out in a game of ping pong. Teddy Morris, Joe Wohlmuth and Monty Reynolds have just finished putting around the green. The course is located at 1214 West Hadley Street.

*Best Wishes
to a sweet girl.
Have fun!
Yours, Warner
"51"*

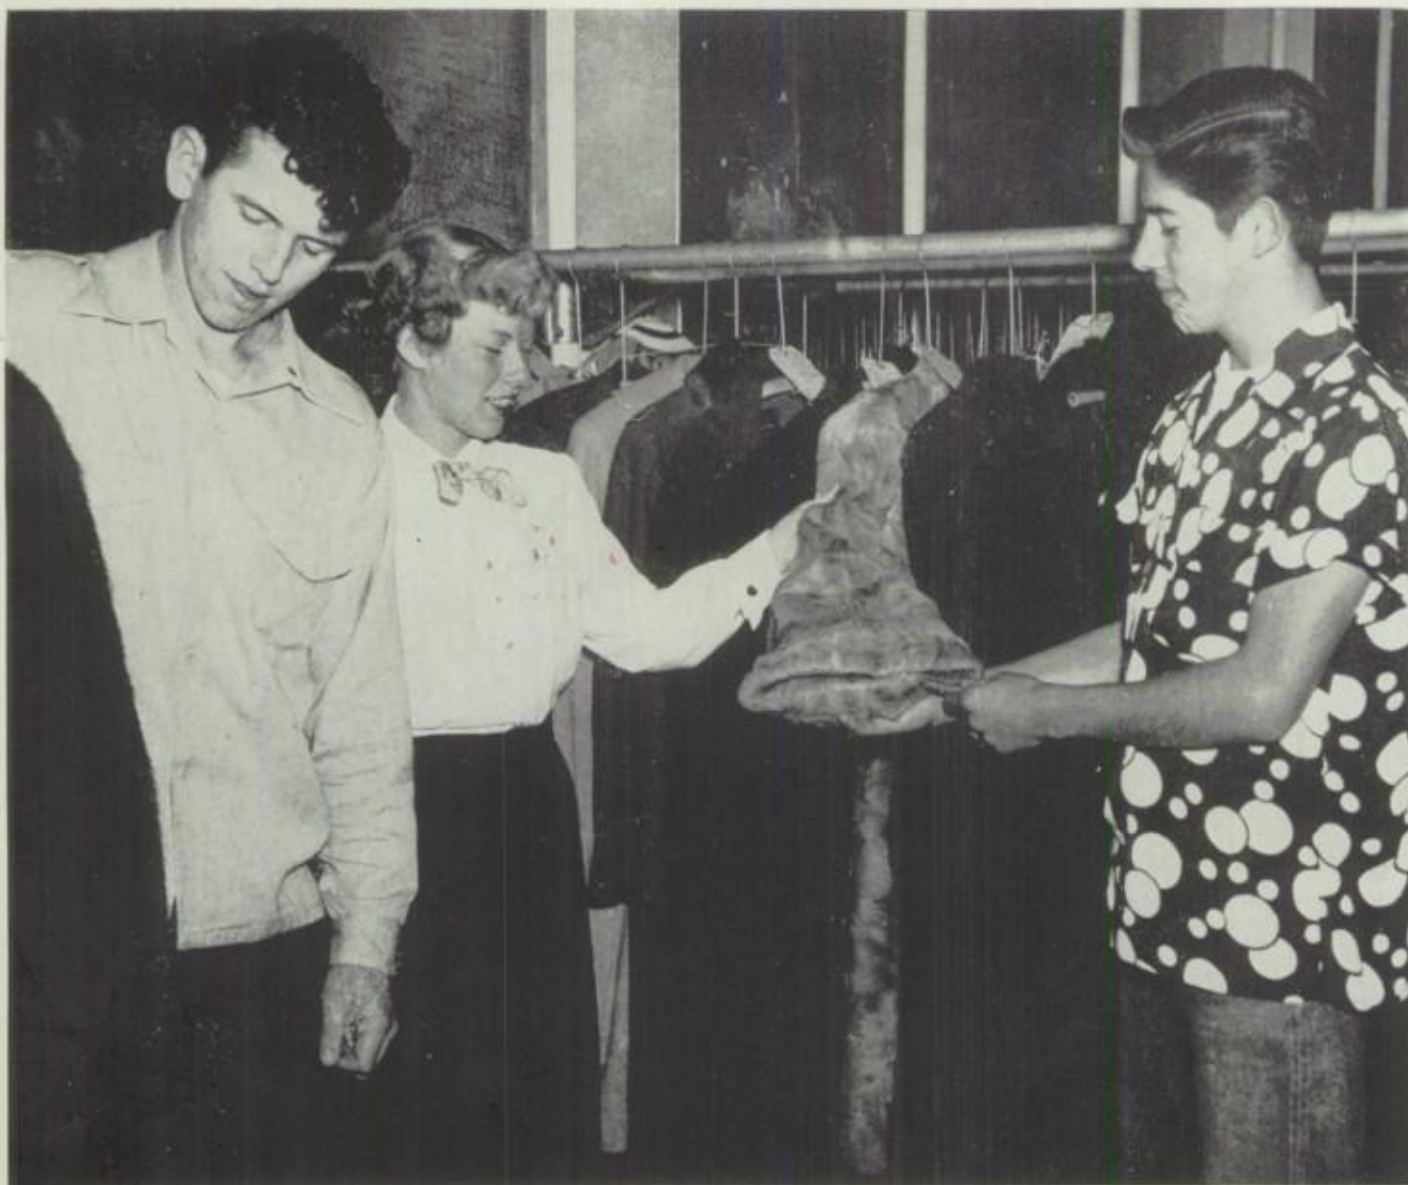

Helen Bell, Robin Cluff, and Nancy Porter are amused at comedian Bert Jennings who is telling them a funny story. Anxiously awaiting their delicious dinner, the couples are seated in **ACARA'S DINING ROOM**, 309 East Philadelphia.

Looking into the future, Evelyn Clayton and Leona McCommon are choosing their silver pattern from the wide selection carried by **LOSEE'S**. Included in the stock are Gorham, Reed and Barton, Towle, Wallace, International, Lunt, Heirloom, Alvin, and Whiting.

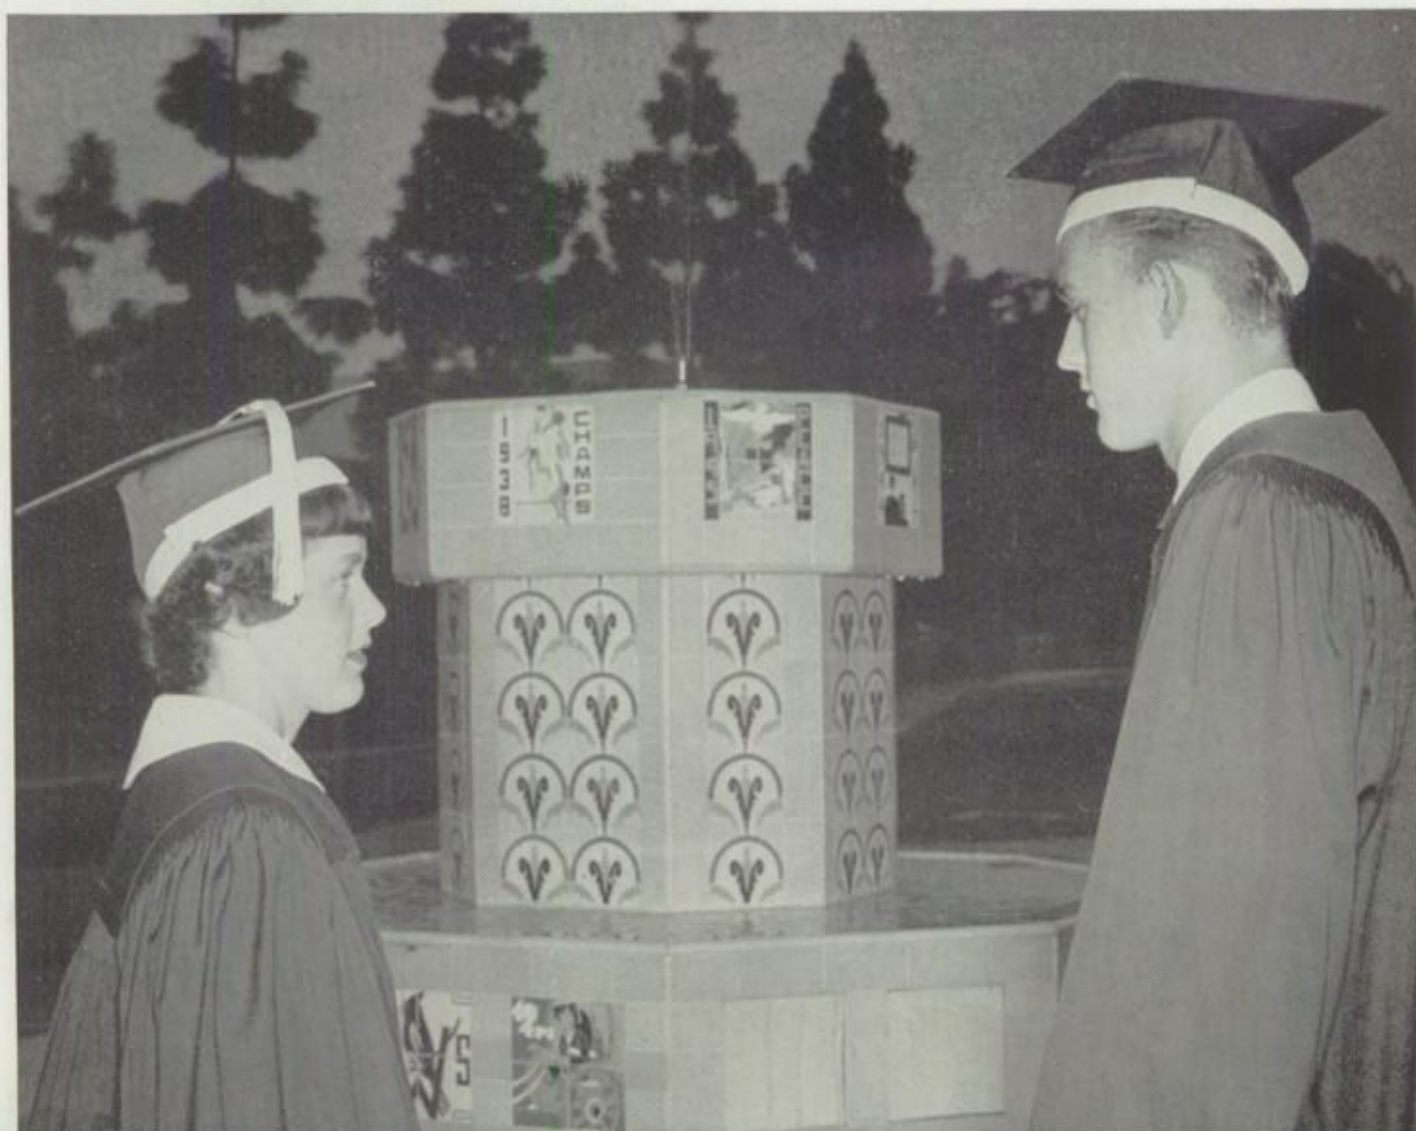

Pleased with their engagement rings which they have just purchased, they find it convenient to select their sterling at the same time. Losee's is located at 141 East Philadelphia.

As they inspect fur coats and woolen garments in storage in a special vault at the **WHITTIER LAUNDRY'S FASHION CLEANERS AND FURRIERS**, Dwight Brown, Barbara Emery, and Carl Acosta have decided that with the summer months near, they will place Barbara's furs and the boys' suits here at 218 South Greenleaf.

After four years of study, social life, and service, the seniors have ultimately reached their goal. **BARTON'S STUDIO**, 154 North Greenleaf, wishes to extend sincere congratulations not only to Connie MacLean and Bob Hanberg, but to all the seniors as they step forward from high school into all walks of life.

For merely me to thank these people is not enough, as it goes without saying that their achievement will be appreciated by the entire student body for years to come. Special thanks are extended to Carol Hunnicutt, "my right hand man," whom I have found to be most capable through my working with her on the advertising. To Mr. Gardner, our advisor, who walked with us along the difficult road, encouraging us, and guiding us toward our goal, the 1950 Cardinal Annual, we express our sincerest gratitude.
